

Single-use products from Graham Medical offer the ultimate in infection control and reduce the risk of cross-contamination.

- Made of soft, **linen-like** material
- **Fluid-resistant**, yet lightweight, breathable material
- **Differentiate size by tie color**, allowing for greater efficiency and faster room turn over
- Provides **optimal patient comfort**
- **Waist tie offers best fit** for patient
- Same **consistent product** every time
- **None of the stains, rips, and tears** that happen with washed linens
- **Optimal storage space** — disposables take up less storage space compared to linens

XL gown size shown above
