

Date: December 13, 2023
Product: OSOM® COVID-19 Antigen Rapid Test (P/N 1066-40)
Subject: Kit Expiry Date Extension

Dear Valued Customer,

SEKISUI Diagnostics' request to extend the shelf life of the OSOM COVID-19 Antigen Rapid Test (P/N 1066-40) from 11 months to a maximum of 24 months was approved by the FDA on 15-Nov-2023.

This letter is to notify you that the OSOM COVID-19 Antigen Rapid Test kits in your inventory may now have a new expiration date which is different than what you see printed on the kit box.

Please refer to the attached table to confirm the new expiry date for your kit(s). If your kit lot number is not listed in the table, continue to use the expiry dating printed on the outer kit box.

Please do not hesitate to contact SEKISUI Diagnostics Technical Support with any questions or concerns at 800-332-1042, or via email at techservices@sekisuidiagnostics.com.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Morris".
