

CaviCide™ & CaviWipes™

Surface Disinfectant

CaviCide and CaviWipes kill clinically relevant organisms such as bacteria, viruses, fungi and TB in just 3 minutes. These products are ready-to-use with no dilution or mixing required.

CaviCide and CaviWipes clean and disinfect hard, non-porous surfaces in your facility with speed and confidence.

Features and Benefits

Variety of Configurations

Ready to use CaviCide spray, CaviCide liquid (gallons) and CaviWipes (canisters, flat packs, XL wipes, individually-wrapped singles) help meet your disinfection needs.

Saves Time and Inventory

Cleaner and disinfectant in one product.

Stays Fully Saturated

Towelettes are designed to help optimize fluid capacity during use.

Nonabrasive

For use on non-porous surfaces.

Superior Surface Contact

Durable, nonwoven CaviWipes towelettes resist bunching up during use.
