

PINNACLE® TPN Management System Compounding Accessories

Streamline Your TPN Process

Backed by a Responsive Service and Support Program

When you work with B. Braun, you have access to a comprehensive service and support organization that is staffed with an experienced and responsive team of specialists. The program consists of in-service and customized training for pharmacists and technicians, continuing education opportunities, and immediate 24/7 access to clinical and technical assistance.

For more information, or to schedule a demonstration of the Pinnacle® TPN Management System, call your B. Braun representative at **1-800-227-2862**. For Clinical and Technical Support, call **1-800-854-6851**.

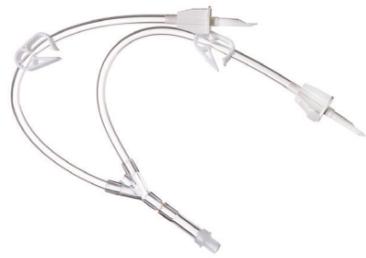

Bags, Sets, and Accessories designed for safety and efficiency

Bottom Chamber: 1250 mL
REF No. 2112406

3000 mL Bag 28 per case
Top Chamber: 500 mL
Bottom Chamber: 2500 mL
REF No. 2112407

4000 mL Bag 28 per case
Top Chamber: 500 mL
Bottom Chamber: 3500 mL
REF No. 2112408

EVA 3-in-1 Mixing Containers

- Designed for safety and durability
- Needleless access for fluid additions

250 mL Bag 25 per case
REF No. 2112346

500 mL Bag 25 per case
REF No. 2112347

1000 mL Bag 40 per case
REF No. 2112348

2000 mL Bag 40 per case
REF No. 2112349

3000 mL Bag 40 per case
REF No. 2112350

4000 mL Bag 20 per case
REF No. 2112351

Transfer Sets

- Available in 6 and 9 lead sets
- Components do not contain DEHP or rubber tree latex

Universal Spike 9-Lead 10 per case
REF No. 2112342

Universal Spike 6-Lead 10 per case
REF No. 2112341

Non-Vented 9-Lead 10 per case
REF No. 2112344

Non-Vented 6-Lead 10 per case
REF No. 2112343

Tamper Resistant Clamps

Plastic hand sealer with permanent clamps

For TPN bags 1 liter or larger
REF No. 2112397 500 per case

For TPN bags smaller than 1 liter
REF No. 2112432 500 per case

Control Panel Mounts

Provides flexibility within the clean room by allowing the PINNACLE Control Panel to be mounted on the wall or beam next to the laminar flow hood.

Wall Mount One per case
REF No. 126909
